Sir:

I beg to acknowledge receipt of your two letters dated the 22nd of April, 1910 and the 30th ultimo, with respect to the entries granted for the West half of Section 22, Township 40, Range 6, West of the 4th Meridian, and in reply to say that after giving this matter careful consideration, it has been decided that Mr. Norlin's entries must be cancelled, owing to the fact that the entry for the North West quarter was granted subsequent to the entry made by Charles J. In view of the foregoing, Mr. Newald's pre-emption entry for the quarter section last mentioned must be confirmed.

I may point out that the cancellation of Mr. Norlin's entry for the South West quarter, automatically cancels his pre-emption entry for the South West quarter, but in view of all the circumstances of this case it has been decided to authorize you to grant him thirty days within which

Sir,

I beg to inform you that your homestead entry for the South West quarter of Section 24, Township 27, Range 4, West of the 4th Meridian, will now be cancelled in accordance with the abandonment you have executed.

In compliance with your request and as apparently your entry is in good standing, the Agent of Dominion Lands at Calgary has given your son, Mr. William F. Kenny, thirty days within which to secure entry for this land, if he is eligible.

From your statement it would appear that there are no improvements on the quarter section.

If at any future date you are in a position to fulfil the required settlement duties and desire another homestead entry, it will be necessary for you to make a written request addressed to the Secretary of the Department of the Interior, Ottawa, for this authority, so that the transaction shall be on record here.

Your obedient servant,

Sir,-

I have the honour to acknowledge receipt of your letter of recent date, and in reply to state that the previously noted soldier was shown on the strength of the 4th Field Ambulance as Private on May 9th, 1916, but there is no record in this office of the date of his enlistment.

Enquiries are being made, however, and you will be advised of the result.

According to the records, Private Kerr who had been suffering from a slight illness, was discharged to duty on July 17th, 1916. Since that date his name has not appeared on any official casualty list, and it is presumed that he is still now serving with his unit.

I have the honour to be,

I have received your further letter of the 19th September upon the subject of your national status, and in reply have to inform you that apart from the record of naturalization which appears in my letter to you of the 28th July last, there is no record of your naturalization in Canada.

However, I am forwarding copies of this correspondence to the Registrar of Lands, Department of Mines and Resources, Ottawa, with a request that he examine his records for Section 36, Township 41, Range 4, west of the 5th Meridian, and endeavour to ascertain what evidence of naturalization was submitted with the application for homestead. Upon receipt of a reply, I will communicate with you again.

Dear Sir:

In reply to your letter of Sept. 7 File 8384-38, I am at a loss to know just how and where to send this request with regards to my citizenship.

You see I came back here as an Immigrant having homesteaded up there I figured I had lost citizenship here, so I had passports, etc., all done through the American Consul at Calgary and thought I would be reinstated as an American in due time. However, the Immigration Department here require me to prove my Canadian Citizenship before I can go any farther.

I filed homestead up there at Ponoka about 1907 and proved up about 1910 or 11. The numbers I quote from memory are Section 36, Township 41, Range 4, west of the 5th. I hope this may help to find when I became a Canadian and when also if I still am, etc. I don't remember now I signed my name whether it was C. R. Biggs, Condee R. Biggs or Condee Rexford Biggs. I have used all three ways when required.

Hoping you may be able to help me,
I remain,
Yours truly,

Dear sir

I am dropping you a few lines in regard to the getting a [illegible] you say I cant get a home and until my Husband has deserted me five years. But that is not giving me chance for here is my child to support I am not very strong a able. And it is only a little over a year and it will be five years since Husband deserted me. And to come right down to the fact he only supported me two months for I lived all the rest of my time with friends and when my child was born he give me $50 and had to pay my Hospital and

doctor bill. and then when my child was three months old he gave me $15 dollars and that is all the support I ever got from him two weeks board and $15 dollars. he never has so much as got me a calico dress. so if I have to wait till five years is up there wont be any homesteads for me to take up as they will be all taken up. but if I could take up a homestead now. I have one in sight that I could get. I am giving you full particulars how much support I got about the desertion when he wont support you what difference does it make when he deserted you. I should think the government knows how much support he give me they would have mercy on me

Sir,

I am directed to acknowledge the receipt of your letter of the 26th ultimo, in which you make enquiry regarding the sale of that portion of the South West quarter of Section 4, Township 6, Range 26, West of the 4th Meridian, which is now reserved for stock-watering purposes. I may say that that portion of this quarter-section which is reserved for stock-watering purposes contains only about six acres, but that portion of the whole section lying North of the river is reserved for stock-watering purposes. A report has been called for as regards the necessity of continuing this reserve, and in the event of it being decided to discontinue the reserve, the land will be placed on the list of cancelled stock-watering reserves to be offered for sale at public auction, due notice of which will be given in the public press. The Department is not in a position to say at the present time when the sale will be held, but as above stated, it will be advertised.

Sir,-

I beg to inform you that evidence has been filed in this Department showing that the lien for $49.00 given to His Majesty in the right of the Dominion of Canada by Cedras Dufault in connection with the E.½ 4-6-26-W.4th M., north of the river, has been improperly registered in the Land Titles Office against that part of section 4, lying south of Waterton River, standing in the name of James Wilson, of Medicine Hat, and that the said lien illegally clouds the title to the last mentioned land.

You are, therefore, hereby authorized and requested to remove the lien for $49.00 from that portion of section 4, township 6, range 26, West 4th Meridian, lying to the south of the right bank of Waterton River, Certificate of Title AO-169, registered in the Land Titles Office as No. 1753-B.L.

MEMORANDUM:

I am sending you herewith reports from Mr.W.W.Lowrie, one of the engineers of this branch, covering inspections recently made by him of the following stock watering reserves:

NW¼ sec.12-6-26-4.
NW¼ " 4-6-26-4.

You will note that in Mr.Lowrie's opinion neither of these reserves are longer required. The Commissioner of Irrigation in forwarding these reports states that in his opinion both reserves are outside of the dry area referred to by the Better Water Conference, at Lethbridge, and he does not think that stock watering reserves are necessary in this locality.

The foregoing statements of opinion merely refer to the question of water for domestic and stock purposes, as discussed at the Lethbridge Conference, and have no reference whatever to the necessity, or otherwise, for continuing these reservations in connection with the ranch industry, which, is, of course, a question to be dealt with by the Timber and Grazing Branch.

I suggest that these reports be forwarded to Mr.York for such further recommendation as he may care to make.

Respectfully submitted,

E.T.Davis

I, Frances Allen of ~~xx~~ near the Town

do solemnly declare that I was married to Harvey Allen on

or about the month of November 1906

In the Spring of 1907 my husband left me, and from that time until now has not contributed to my support, nor have I had any communication with him, and I am creditably informed and verily believe that he is living a loose and disorderly life and has forfeited all rights to requiring me to live with him, and from the time of his desertion to the present I have been compelled and have supported myself and my only child entirely.

I have one child born of our marriage, age at the present time twelve years, and I am desirous at the present time to obtain a homestead for the purpose of more easily supporting myself and my little girl.

My husband made entry for, and I understand obtained patent for a homestead, receiving the patent about the time that he deserted me. I have never received any benefit from the said homestead whatsoever, and I was informed at the time of his desertion that he disposed of the said homestead.

And I make this solemn declaration conscientiously believing it to be true, and knowing that it is of the same force and effect as if made under oath and by virtue of *The Canada Evidence Act*.

Dear Sirs,

I am enclosing herewith statutory declaration setting forth the facts in regard to your granting me the right to make homestead entry.

I had intended going across to the States, but on considering the matter more carefully preferred very much to remain in Canada, if possible, with my own people, and trust you may see your way clear to grant me a homestead entry.

I am now going North to the Peace River District, and as I do not know just what my address will be I wish you would be good enough to send your consent and authorization to my address care of John L. Fawcett, Macleod, Alberta.

Yours truly,

Madam,

I beg to acknowledge the receipt of your letter of the 3rd instant, enclosing declaration setting forth the facts of your desertion, in support of your desire to be granted authority to make homestead entry in your own right. Before granting you this authority, it will be necessary to have a report furnished the Department by a Homestead Inspector as to your case, but in view of your statement that you are now going north to the Peace River District and did not know what your address would be, it is impossible to issue the necessary instructions, but if you will notify the Department of your address when you have permanently located, the matter will be given further consideration.

Gentlemen,

In reply to your letter of the 9th instant, respecting the delivery of certain South African Scrip Land Certificates, I am directed to inform you that the Certificates issued in favour of Richard P. Turrington, John T. Thompson, Reginald J. McKay and Ernest E. Burn, were forwarded in accordance with the practice of the Department, to the addresses given in their applications for the land grant, and furnished this Department by the Department of Militia & Defence, which in these cases was 22 St.James Street, Montreal.

In the case of Zacharie Lefebvre, whose certificate you state was the only one of the five forwarded to you direct, the usual procedure should have been followed, and the Certificate should have been sent to him in care of T. Ward, 22 St.James Street, which was the address supplied by the Department of Militia & Defence.

Land Certificates are forwarded to the address furnished by the Militia Department, except in cases where the Volunteer has changed his residence and notifies the Department of the fact.

Joint Relief Advance

Mr. J. L. Judge,
Chairman,
Land Claim and Relief Adjustment Board,
Edmonton, Alberta.

Dear Sir:

We have duly obtained a Joint Relief Advance on March 21th, 1922 in the amount of Sixty-two dollars and fifty cents ($62.50) giving as security a lien on the title to the above land. No payment has been made and interest to March 31st, 1952 there is a total outstanding of one hundred and ninety-three dollars and sixty-six cents ($193.66).

Correspondence for the debtor have now approached this office for a settlement of this account. The debtor has advised that the above quarter section together with [illegible] quarter of the same section is disposed of for the sum of five thousand dollars ($5,000.00) which he has invested in a home for himself and wife in the City of Medicine Hat. The sale price would seem to be in line as this land is situated in a township which has been classified as [illegible] and has been created by and including 1951 and is in the 12 years in which awards under the Relief Assistance Act [illegible] 10 years out of the assessed for taxation purposes at [illegible] dollars ($1,800.00). [illegible] the debtor and his wife 72 years of age. I understand [illegible] and his wife are living [illegible] 10 years of age and is retaining [illegible] for [illegible] which he is to receive from the sale proceeds.

The solicitors have rendered the sum of sixty-two dollars and fifty cents ($62.50) representing the principal amount of the account in full settlement of the above quarter section together with interest to date. In view of the circumstances it is my opinion that this is a fair offer and I would therefore recommend that the balance of this account consisting of [illegible] roof. [illegible] be written off and the lien discharged.

Yours very truly,

C. [illegible] Chief Collector

BOARD ORDER
No. 1113

December 5,1952

W. W. P. Judge,
Chairman,
Seed Grain and Relief Adjustment Board,
Edmonton, Alberta.

Dear Sir: Re: Felix Arlington
NW 1-15-3-W.4th.
Joint Relief Advance

The above party obtained a Joint Relief Advance on March 27th,1922 in the amount of Sixty-two dollars and fifty cents ($62.50) giving as security a lien on the title to the above land. No payment has been made and including interest to March 31st,1952 there is a total outstanding of one hundred and ninety-three dollars and sixty-six cents ($193.66).

The solicitors for the debtor have now approached this office for a compromised settlement of this account. They advise that the debtor has disposed of the above quarter section together with S.E. quarter of the same section for the sum of five thousand dollars ($5,000.00) which he has invested in a home for himself and wife in the City of Medicine Hat. The sale price would seem to be in line as this land is situated in a township which has been eligible for awards under the Prairie Farm Assistance Act in 10 years out of the 12 years in which awards have been granted up to and including 1951 and is assessed for taxation purposes at one thousand and forty dollars ($1,040.00) for the half section. I am advised that the debtor is 71 years of age and his wife 72 years of age. Mr. Arlington has a small bank account which he is retaining to cover emergencies, his living being provided for from the old age pension received by himself and wife.

The solicitors have tendered the sum of Sixty-two dollars and fifty cents ($62.50) representing the principal amount of the account in full settlement thereof. In view of the circumstances it is my opinion that this is a fair offer and I would therefore recommend that the balance of this account consisting of interest only be written off and the lien discharged.

The original Seed Grain advance of Twenty dollars and eight cents ($20.08) have already been cancelled together with accrued interest.

Yours very truly,

Rev. Form No. 195

8,000—11-25

on June 27th, 1917 amounting to $49.14, this out--standing balance with interest at 5% from June 27th, 1917, to March 31st, 1928, amounted to $75.59 to which should be added interest at 5% on $49.14 from March 31st, 1928, to date of payment.

By your letter I am informed there are four liens clouding title to this land:

$160.50 No. 537 BK.,
$25.75 No. 2511 B.K.,
$160.50 No. 6829 BL.,
$90.60 No. 6829 BL.,

It would appear that the first two items are duplications, the third $160.50 and the 4th $90.60, which is made up of $44.85, $20.00 and $25.75.

As soon as Mr. Vos is in a position to make settlement of the balance due in connection with his indebtedness the Department will be requested and will no doubt issue a discharge covering the four entries on the title.

Your obedient servant,

E. F. Layton,
Acting Agent.

and $25.75 to be registered against this land, consequently in the payments remitted the total indebtedness as registered has been shown as paid to the Agent who no doubt advised the party remitting the payment by a similar letter of advice to that of 28th June, 1917, and I would therefore respectfully suggest that release of the liens as registered against the above described land be effected and that the balance due resulting from the omission of the relief lien for $44.85 be made chargeable only to the debtor under his personal covenant.

COMMISSIONER:

Mr. Gysbert Pelleboer was the settler who obtained the seed grain, relief and fodder advances. Mr. Pelleboer sold the land to Mrs. Elizabeth Wappel, who assumed the seed grain indebtedness. Mrs. Wappel in turn sold the quarter-section to Mr. Roelof Vos, who in turn assumed the seed grain indebtedness in question.

It appears that Mr. Vos applied to the Agent for a statement showing the full amount chargeable against the land for seed grain. The Agent complied and Mr. V s paid the sum demanded. In this connection please see the Agent's letter of the 28th of June, 1917, marked, and Abstract of Title dated 22nd of August, 1921, marked.

Through some inexplicable oversight the Agent was not advised of a relief lien for $44.85 dated the 15th of February, 1915. Lien marked. This lien still remains a charge against the land.

In view of all the circumstances in connection with this case I concur with Mr. Ewen's recommendation that the land should now be cleared of all encumbrances, and the lien for $44.85 with interest retained a charge against Mr. Pelleboer under his personal covenant.

MEMORANDUM: Mr. Perrin

N.W.¼ 7--8--11 W. 4th Mer.
Homestead - Gysbert Pelleboer,
Patented 12th May, 1913.

Purchased by Mrs. Elizabeth Happel,
3rd April, 1915.

Pursuant to the Acting Deputy Minister's memorandum of the 6th instant, relative to a communication addressed to L.H. Jelliff, M.P., from Mr. K.S. McArthur, Barrister of Lethbridge, wherein it is represented by Mr. McArthur that his client paid in full to the Agent of Dominion Lands all liens of which he had record, I beg to advise that the indebtedness in this case consists of advances as follows:-

1915	Relief	$44.85
1915	Relief	$20.00
1915	Fodder	$25.75
1915	Seed Grain	160.50

in connection with which payments were made in 1915 of $82.25 and $141.70 in 1917, and the latter payment is the one particularly referred to. The present standing of the account shows a balance with interest computed to the 29th instant in the amount of $78.64.

It will be observed from the Agent's communication dated the 28th June, 1917, and marked hereunder, that in reporting the payment of $141.70 it contained a statement which to all intents showed a complete standing of the indebtedness and to which Mr. McArthur's letter has reference. From a perusal of that statement with the liens as mentioned above an omission will be noted of the relief lien for $44.85, of which apparently the Agent had no record at that time, and for some inexplicable reason the Agent was not advised of the balance due in respect of this additional lien so that the party remitting payment might be advised of the outstanding balance. In this regard Mr. McArthur's client has reasonable grounds for complaint and a balance of the account has been carried forward in our ledgers of which he was not made cognizant.

A perusal of an Abstract of Title dated the 22nd August, 1921, showed only liens in the amount of $160.50

Kindly be referred to a memorandum of the 7th instant on file hereunder, and the Acting Deputy Minister's of the 8th.

Before proceeding with the preparation of a Memorandum-to-Council as requested therein, may I be permitted to direct attention to the fact that the Relief Lien of $44.85 is not registered against title to the N.W.¼ 7-8-11-W.4th and that all liens which are registered have been paid in full, with the result that a discharge of those liens may now issue, thus clearing title of all encumberances in favour of the Crown.

Might I, therefore, respectfully suggest that such Departmental action be taken and thus obviate the necessity of a Memorandum-to-Council.

Re N.W. 7-8-11-W. 4th M.

I beg to send you herewith discharges of the liens for $25.75 and $160.50, respectively, which you advise in your letter of the 26th ultimo appear registered against the above described land, and to ask you to be good enough to have the necessary action taken in connection therewith.

In regard to the lien for $90.60 registered on the 27th December, 1916, as 6829 B.L., I may say that this amount embraces liens for $44.85, $20.00 and $25.75, respectively, that the liens for $20.00 and $25.75 are covered by the discharge for $45.75 returned with your letter, that the indebtedness under the lien for $44.85 not having been paid a discharge in the ordinary form could not be executed. However, in regard to the item of $90.60 registered against this land it has been considered advisable in view of the representations made and the payment of the amount due under the liens for $20.00 and $25.75, to have this item removed from the title.

Encl.

You are, therefore, hereby authorized and requested to remove from the title to the said the N.W.¼ 7-8-11-W. 4th M., the lien in question for $90.60, registered against it.

Re: Account of G. Pelleboer
N.W. 7-8-11-W.4.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 seed grain, fodder and relief amounting to $251.10 were advanced to G. Pelleboer on the security of the above mentioned land. Payments of $82.25 and $141.70 were received in 1915 and 1917, respectively, and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$49.14	$90.32	$139.46

Patent was issued in the name of Gysbert Pelleboer for the N.W. 7-8-11-W.4 on the 12th of May, 1913 and the land later became subject to the 1915 liens.

On the 16th of July, 1929, authority was issued releasing the land as security for the liens on the payment of $141.70. The balance of the indebtedness has since remained as a charge against the lienee under his personal covenant.

The whereabouts of the original debtor is now unknown and it is considered that there is no possibility of collection.

As the lien is no longer registered against the land and there is no further security for our advances it is recommended that the balance of the indebtedness be cancelled.

File No. [illegible]

OTTAWA - JUN 1 [illegible]

Memorandum:

Request for Title under Order in Council of the 4th June, 1921, where duties completed by soldier settler.

Re: Bruce Morris,
N.E. 17-[illegible] W.4th M. (S.S.)

The above-described land is the unpatented soldier grant of this settler.

Subsequent to the initial loan approved in his favour on the 6th May, 1920, the settler secured advances from the Board totalling $1936.40, as follows: stock and equipment, $1[illegible]; permanent improvements, $338.60; special advances, $[illegible]. As security the Board holds a charge on the settler's soldier grant. The only other land security held by the Board in this case is a charge on the settler's homestead, the N.W. 17-[illegible] W.4th M.

The Board is informed that the settler has completed the duties in connection with his soldier grant, and would be entitled to receive patent but for the Board's charge. This is confirmed by the letter from the Commissioner of Dominion Lands to the settler, dated the 3rd April, 1930.

The regulations approved by the Governor in Council on the 4th June, 1921, P.C. 1[illegible], enable the Minister, on completion of duties by the settler and on the request of the Board to vest the settler's right, title and interest in the unpatented Dominion land held by him in the Board, title remaining in the Board until the settler's indebtedness has been repaid. Such transfer of title also enables the settler to negotiate a sale of the land with the view to repaying the loan he has obtained from the Board.

The settler has requested that title to the land be issued to the Board. There is nothing on file to show that he contemplates discontinuing his farming enterprise. However, the settler desires to have title issued as aforesaid in order that it may be held by the Board as security for the advances granted, and in order to be in a position to negotiate a sale should he decide to do so at a future date.

Under the provisions of the regulations referred to, the Board hereby requests that the right, title and interest of His Majesty in the N.E. 17-[illegible] W.4th M. be vested in the Soldier Settlement Board.

The Board has no effective interest in the land under the recent amendment to Section [illegible] of the Soldier Settlement Act, as the advances referred to in the agreement have been repaid by the settler subsequent to the date of [illegible] the soldier grant.

Referring to your application to cancel the entry for the North East quarter of Section 18, Township 5, Range 11, West of the 4th Meridian, I beg to advise you that I am in receipt of a declaration completed by the entrant for the land from which it would appear that he performed continuous residence thereon from the 9th of August, 1916, to the 19th inst., the date upon which his declaration was made. The entrant also claims to have a house on this land 10 x 20 and one mile of fencing, and that he broke 25 acres in 1916.

According to your affidavit in support of your application you claim that there is no person in residence and no improvements on this quarter section.

Re SEED GRAIN

Sir:-

In reply to your enquiry regarding seed grain I have to inform you that it is hoped that settlers will be able to provide themselves with seed grain this year without looking to the Dominion Government for help. The prosecution of this war has imposed, with its very heavy expenditures and vast amount of work a heavy burden on the Federal Government, which calls for the greatest possible co-operation on the part of all residents of Canada. Under the circumstances this Department will grant assistance only to destitute homesteaders and furnish seed grain under the following conditions:-

1. Applicant must be a homesteader on unpatented land and in destitute circumstances, who lost his crop last year by some calamity, and whose land would have to go unseeded but for the aid of this Department.

2. Only sufficient seed will be allowed for the acres already under cultivation on the applicant's unpatented land and no seed will be allowed for spring breaking.

3. All applications before receiving any consideration from this office will have to be certified to by the Dominion Lands Agent, in whose district the land is situated. This certificate to show that the land described was filed upon by the applicant, is in good standing and patent not issued.

4. It is not the intention of this Department to ship any seed from outside points provided seed grain can be purchased locally by applicant on Government order. Applicants must give name and address of party or parties from whom the seed they require can be purchased, and state the price per bushel. If grain cannot be procured locally, the Department will purchase the seed required but applicant must state on his application the station where the grain should be shipped to.

5. If the applicant receives favorable consideration an official order will be issued from this office accompanied by liens. The party to whom this order is made out will supply to the settler the amount of seed stated thereon. After the liens have been signed and completed by the applicant and a receipt given for the grain so received. Any changes made in the papers cancels same. The party supplying the seed will attach his account in triplicate also the order and receipt for the grain together with executed liens in duplicate to this office. After papers so received are found to be properly completed, a Department cheque will be issued to cover the advance.

6. This Department will not be responsible for purchase of seed grain unless an official order is issued.

7. Settlers on patented land requiring seed grain must apply to their Municipality or to the Provincial Government.

8. Any applicants securing seed grain from this Department through any misrepresentation will be severely dealt with.

Enclosed please find application blank.

J. BRUCE WALKER,

Sir,

Re-T.E.-19-5-11-W. 4th M.

With further reference to your application for purchased homestead patent for the land above described, I am to remind you that action in connection therewith is deferred, owing to the fact that at the time you obtained entry for this land the improvements thereon were valued at $75.00, and you have paid only $40.00, leaving a balance of $35.00.

As you have held this land under entry since August, 1916, I am to advise you that under Section 26 of the Dominion Lands Act, failure on the part of a homesteader to make completed application for patent within five years from date of entry renders same liable to cancellation.

You should, therefore, remit to the Agent of Dominion Lands at Lethbridge, within thirty days from this date, the balance due for improvements.

The amount due in connection with the purchase price of this land is as follows:

Bal. 4th instalment $20.84 and interest on same from 16-9-21 to the date of payment.
5th instalment $64.00 and interest on same from 16-9-21, to the date of payment.
6th instalment $64.00 and interest on same from 16-9-21 to the date of payment.

Sir:

I beg to acknowledge receipt of your letter of the 5th instant, in reference to your purchased homestead entry for the North East quarter of Section 19, Township 5, Range 11, West of the 4th Meridian.

In reply I beg to inform you that your application for patent for the quarter section is on file here, but before patent can issue it will be necessary for you, in addition to paying the full amount of the purchase price, to remit to the Agent of Dominion Lands at Lethbridge, the balance due, namely, $55.00, as the value of the improvements that were on the quarter section when you secured entry therefor, and as your entry has been standing for over five years I would suggest that you have this matter attended to at the earliest possible date.

With respect to the lumber you sold Mr. Henry Marshall in connection with his cancelled homestead entry for the North East quarter of Section 33, Township 56, Range 7, West of the 5th Meridian, amounting to $[illegible].75, I may state that this is a matter which does not concern this Department and will have to be settled between Mr. Marshall and yourself.

Sir,

Replying to your letter of the 11th instant relating to your request for an extension of time within which to submit proof of your homestead duties, I beg to say that while the Department is prepared to grant extensions in cases where actual hardship exists, there is no provision in the Regulations for granting extensions merely because the settler is unable to obtain a patent for his homestead within the three years. In order to get that patent the settler must have complied with the requirements of the Dominion Lands Act, and the Regulations made thereunder, and must have made proof of such compliance to the satisfaction of the Department of Interior. The mere fact that the settler is unable to obtain a patent for his homestead within the three years does not relieve him from the necessity of complying with the requirements of the Act and Regulations, and the time will not be extended for that purpose.

I may say, however, that if the settler has complied with the requirements of the Act and Regulations, and is unable to obtain a patent within the three years, the time will be extended for the purpose of enabling him to obtain his patent.

Purchased homestead - Goodwin G. Shantz.
Agency file No. 82313.

Referring to the report of Homestead Inspector Wilcox of the 19th June last, I beg to say that whereas Goodwin G. Shantz is not farming the land, protection of his purchased homestead entry for the quarter-section above mentioned seems hardly warranted. Under the circumstances, it has been decided to institute cancellation proceedings on behalf of the Department for non-payment of the balance due on account of the purchase price and I am to request you to be good enough to take the necessary action accordingly.

In the event of cancellation of the entry in the absence of a defence, the quarter-section may be posted for leasing under the regulations governing Dominion lands in Area "A". On the other hand, should Mr. Shantz put in a defence indicating his intention of completing payment of the purchase price, the matter should be referred here. In this case it is observed that there is a balance of $35.00 due for improvements on the land at date of entry which should be collected.

Re: [illegible]
N.E. 19-5-11-4

The matter of an application for an adjustment of [illegible] outstanding against the above mentioned party is referred to you constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1918 seed grain amounting to $[illegible] was advanced to [illegible] on the security of the above mentioned land. Payments of [illegible] and $25.00 were received in [illegible] and 1921, respectively, and applied to the principal and interest. The present standing of this account is:

Principal	Interest	Total
$ 113.75	$ 176.4[illegible]	$ 290.23

The N.E. 19-5-11-4 was formerly the purchased homestead entry of [illegible] debtor whose entry was cancelled on the 4th of August 1925 and the land is still unalienated Crown Land held in the right of the Province.

In reply to our questionnaire of the 22nd of November 1952, V.A. [illegible], Director of Lands, Department of Lands and Forests, Province of Alberta, wrote as follows:

"Kindly be advised that this matter concerns part of the land held under Grazing Lease No. 33108 by John Messer and Verna Bradley of Lornest, Alberta, whose lease does not expire until February 1st, 1967.

According to an inspector's report on file this land can only be considered suitable for grazing purposes and it is unlikely that it will ever be used for any other purpose."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our advance. Under the circumstances it is recommended that the indebtedness be cancelled.

I beg to acknowledge the receipt of your letter of the 13th instant and in reply am enclosing herewith, for your information, a copy of an Order-in-Council dated the 21st of October last, outlining the arrangement with the Provinces of Saskatchewan and Alberta regarding the removal of settlers who have suffered from crop failures, to more suitable land in any one of the land districts of Prince Albert, Battleford, Edmonton, Lesser Slave River or Grande Prairie, where the prospects for an adequate return for their labour seems more assured.

You will observe that only such settlers are to be moved as are recommended by the Government of the Provinces. It is, therefore, necessary for you to take the matter up with the Minister of Agriculture at Edmonton, giving full particulars of your case. You will probably be requested to fill up forms giving all the details of your farming operations during the past years, the land which you now hold, encumbrances thereon, etc., etc.

Re: Account of Andrew Johnson
N.E. 3-18-10-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1920 seed grain amounting to $93.80 was advanced to Andrew Johnson on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 93.80	$ 210.11	$ 303.91

The N.E. 3-18-10-W4 was formerly the pre-emption of the debtor whose entry was cancelled on the 24th of April 1924 and the land is still unalienated Crown Land held in the right of the Province.

In reply to our questionaire of the 21st of August last, W.A. Wood, Director of Lands, Department of Lands and Forests, Province of Alberta, wrote as follows:

"In reply to your letter of the 21st instant, I would advise that the above quarter section is Crown Land, and is included in long term Grazing Lease No. 1713, presently held by Otto Mathis, of Beechester, Alberta.

According to an Inspector's report on file, it would not appear that this land will be made use of for any purpose other than grazing."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our advance. Under the circumstances it is recommended that the indebtedness be cancelled.
